Subject: Planned Shutdown of Elevated Service Reservoir for major maintenance work

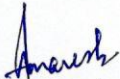

Respected Sir,

This is to bring to your kind notice that we have planned for a major shutdown of ESR (Elevated Service Reservoir) after almost 12 years. Details of the shutdown activities are mentioned here under.

Date of Shutdown	Duration of Shutdown	Activities	Remarks
13 th Nov 2022	7AM to 7PM	Cleaning and Desilting Repair of tower outlet line Repair of tower outlet valve Modification of ladder Fixing of illuminations Disinfection of tank	It is requested to all the business partners to kindly make adequate storage of water for the said period of shutdown.

The repair and maintenance of structure is to ensure the enhancement of structural stability, long term safety of the water distribution system and overall aesthetics of ESR. Entire activity of repair and maintenance is planned over a span of 3 months; considering specialized execution of work in a staggered manner and uninterrupted services of water supply to the business partners. In the course of the said job, we may further take one or two shutdowns as per requirement if any and the information would be circulated well in advance for its successful completion.

With warm regards,
For Naba Diganta Water Management Limited

Amaresh Kumar Das
Chief Executive Officer
